### **FOR IMMEDIATE RELEASE:**

### **HO-HO-KUS VOLUNTEER FIRE DEPARTMENT REQUESTS PUBLIC ASSISTANCE**

**HO-HO-KUS, N.J., Jan. 25, 2016 - In the wake of winter storm Jonas, the Ho-Ho-Kus Volunteer Fire Department needs your help in keeping the town's 220 fire hydrants accessible and free of snow. Unless shoveled out, snow-encased hydrants pose a serious threat to life and property, potentially costing life-saving minutes if our members need to dig out a hydrant. Though our volunteer firefighters are making their way through the borough to clear what they can, your help would be greatly appreciated. By clearing just one fire hydrant in your neighborhood, you'd be making an invaluable contribution. Neighbors helping neighbors. That's what Ho-Ho-Kus is all about. Many thanks for your help in this important effort.**
